

## **Expedition Ten Briefing**

1- Inform the class that today we have a new member of the expedition, David.

2- Tell a story of your own about a friendship that developed from the outdoors or retell the story on page 63-64. Tell the group today we will look at real friendship.

3- Read paragraph before Getting our Bearings and first paragraph in Getting our Bearings to set the context of the story.

4- Read the GPS scriptures.

5- Ask why David's and Jonathan's friendship seems to defy logic. (Answer in in paragraph after GPS scripture.)

6- Ask question at the beginning of Pursuing the Challenge. Read 1 Samuel 18:4 again and ask what they think the gifts were saying.

7- Point out real friendship can be literally giving the shirt off of our back.

8- Ask how the world tries to picture men who love each other. Ask can men love each other without it be perversion or sexual. State we should not allow the perversion of the world to stop us loving other men with a godly love.

9- Read 1 Samuel 18:6-8 to show events (background) that led to Saul ordering David to be killed.

### **Camp One Expedition Briefings**

10- Ask how they think this could test the friendship of David and Jonathan.

11- Ask questions page 67 second paragraph.

12- Point out Jonathan intercedes for David with Saul. Ask them to read 1 Samuel 19:9-10 to find what happened next.

13- Use the material in paragraph on page 67 that begins with “David flees...” to wrap up the story.

14- Ask the class to listen as you read Jon 15:13 and see how it relates to friendship.

15- Ask question at start of Packing out the Trophy. Use paragraph 2 to emphasize need to tell our friends about Jesus.

16- Ask question in 3<sup>rd</sup> paragraph under Packing out the Trophy.

17- Close by stating we need deep friendship. Read Proverbs 27:17.
